Sub./ Appeal for more time extension

Dear Sir,

Referring to the prosecution of this application ,

I would like to Appeal for more time extension on this application due to the extra-ordinary circumstances of war on my origin country which had effected the effort on providing Am. affidavits as this was recommended and even it may effect the current justification on it . It is the current situation and the prosecution of this application which give the reason for this appeal to have a chance for 3rd action during the next months, when there will be a normal circumstances, or you may issue this affidavits directly using USPTO authorization .

Please feel free to use the credit available in my account in USPTO to pay fee requirement on this purpose and inform me if it is not sufficient and this is the authorization for that.

Looking forward to have USPTO approval on the additional time extension due to such extra ordinary situation with your appreciated endorsement .

Thank you

Best regards

The applicant
